DIRECTIONS TO THE GISBY HARRISON OFFICES FROM A10 SOUTHBOUND

The A10 from Ware southwards is of near motorway standard. Continue southwards past the junctions for both Hoddesdon and Broxbourne and keep on the road until it runs into a normal dual carriageway. Go through a set of pedestrian traffic lights and then at the second set filter turn right into Church Road.

Continue along this road and you will come to a mini-roundabout. Turn left at this roundabout and proceed to the next mini roundabout. Turn right at this roundabout (signposted Goff's Oak) and continue along this road (past the school) until you come to a large roundabout.

Take the second exit at this roundabout (effectively straight on and signposted Goff's Oak). Continue up this road which is Goff's Lane. Our office is one mile up Goff's Lane on the left hand side. As you approach our office you will pass the Wheelwrights public house and the entrance to Brynfield Nursery on the right hand side of the road. Our office is a further 250 yards on the left hand side, a large cream coloured building, and access to the car park and reception can be gained through the wrought iron gates in front of the building.
